

**INFRAGISTICS**  
DESIGN / DEVELOP / EXPERIENCE

To Whom It May Concern:

On behalf of Infragistics Bulgaria I would like to give my highest recommendation for Sofia Classic Catering.

More than 3 years we are using their impeccable services for our internal corporate events and conferences. After each event the feedback from all the guests is excellent.

The food is always prepared and served with professionalism and accompanied by the corresponding certificate.

We look forward to the next occasion for collaboration!

Sincerely,

Monika Stefanova

Events&Communications Coordinator
